If the *Debtor* fails to make these payments, the mortgage holder may, but is not required to, pay the taxes and/or the insurance. If the mortgage holder pays the taxes and/or insurance, the mortgage holder may file, as appropriate, a motion for reimbursement of the amount paid as an administrative claim or a *Notice of Payment Change by Mortgage Lender* or a *Notice of Fees, Expenses, and Charges*.

Vesting shall be subject to all liens and encumbrances in existence when the *Case* was filed and all valid post-petition liens, except those liens avoided by court order or extinguished by operation of law. In the event the *Case* is converted to a case under chapter 7, 11, or 12 of the Bankruptcy Code, the property of the estate shall vest in accordance with applicable law. After confirmation of the *Plan*, the *Trustee* shall have no further authority, fiduciary duty or liability regarding the use, sale, insurance of or refinance of property of the estate except to respond to any motion for the proposed use, sale, or refinance of such property as required by the applicable laws and/or rules. Prior to any discharge or dismissal, the *Debtor(s)* must seek approval of the court to purchase, sell, or refinance real property.

Upon dismissal of the *Case* post confirmation, the *Trustee* shall disburse all funds on hand in accordance with this *Plan*. Upon conversion of the *Case*, any balance on hand will be disbursed by the *Trustee* in accordance with applicable law.

Each numbered paragraph below is a level of payment. All disbursements which are in a specified monthly amount are referred to as "per mo." If multiple claimants are scheduled to receive per mo payments within the same level of payment and there are insufficient funds to make those payments in full, available funds will be disbursed to the claimants within that level on a pro-rata basis. Claimants with a higher level of payment which are designated as receiving pro-rata payments shall be paid, in full, before any disbursements are made to any claimant with a lower level of payment.

**SECTION III  
NONSTANDARD PROVISIONS**

The following nonstandard provisions, if any, constitute terms of this *Plan*. Any nonstandard provision placed elsewhere in the *Plan* is void.

**Loan Modification Matter**

**The Debtor may enter the Loan Modification Program adopted by this Court which could result in a modification of a loan secured by real property in which the Debtor owns an interest or in other loss mitigation solutions, including, without limitation, loan refinance, forbearance, short sale or surrender of the real property in full or partial satisfaction of the debt secured by the real property. Such loan modification or other loss mitigation solution may be approved by the Court without further notice to parties-in-interest and without modification to the Chapter 13 plan if the loan modification or loss mitigation solution does not create a material adverse impact on the treatment of creditor's claims under this Plan, other than the Lender's; does not render the Plan unfeasible or insufficient; and does not increase or decrease the Plan payment to the Trustee.**

I, the undersigned, hereby certify that the *Plan* contains no nonstandard provisions other than those set out in this final paragraph.
